

CELEBRATING PROF. GIUSEPPE RESNATI

A Journey into Crystal Engineering and Non-Covalent Interactions

+

28 November 2025

Room Pedefferi

Building 6

Politecnico di Milano

Piazza Leonardo da Vinci, 32
Milano

+

10:00–10:15

Opening remarks

10:15–10:45

Kari Rissanen

University of Jyväskylä, Finland

*My journey tchalogen bonding:
How it started and where it took me*

10:45–11:15

Antonio Frontera

Universidad de las Islas Baleares, Palma, Spain

*The role of the matere bond in supramolecular
assembly*

11:15–11:45

Marc Fourmigué

University of Rennes, France

Chalcogen bonding in molecular conductors

11:45–12:15

Alessia Bacchi

University of Parma, Italy

Tweaking interactions to achieve properties

12:15–12:30

Concluding remarks

Partecipation at the event is free,
but registration is mandatory at
