

Akimitsu Narita was born and raised in Yokohama, Japan. He received his Bachelor's and Master's degrees in Chemistry at the University of Tokyo under the supervision of Professor Eiichi Nakamura. He then joined Professor Klaus Müllen's group at the Max Planck Institute for Polymer Research (MPIP) in Mainz, Germany and obtained his doctorate in Chemistry from Johannes Gutenberg University of Mainz in 2014. In the same year, he became a project leader in the Synthetic Chemistry Department at MPIP.

In 2018, he joined OIST as an Assistant Professor (Adjunct) to lead the Organic and Carbon Nanomaterials Unit. He is now working full-time as an Assistant Professor at OIST since 2020.
